LEXISNEXIS 2025  
LEGAL AWARDS

## The right solution

We can advise on how to best showcase your brand, products and services – from traditional print advertising to curated advertorial; from bespoke e-newsletters to premium native advertising on branded e-newsletters, to website advertising; and from job placements to white papers. We also offer highly targeted solutions on LinkedIn to ensure your message is seen by the right audience – perfectly complementing your other activity.

Whether you are looking to enhance your brand or simply recruit a legal professional, LexisNexis has the right solution for you – we will work closely with you to maximise the return on your marketing investment.

LexisNexis publishes *New Law Journal*, *COUNSEL* magazine, *Family Law*, as well as *Corporate Rescue and Insolvency* – enabling you to reach the sector of the market that's right for you. We also own the Premium News services *MLex* (exclusive, real-time market insights, news and analysis) and *Law360* (breaking news and analysis on policy, litigation developments and legal trends).

LexisNexis also owns two of the leading legal recognition events in the UK, *LexisNexis Legal Awards* and the *Family Law Awards*.

**Join us as we continue to help you navigate the legal world through our ever evolving marketing solutions.**

# NewLawJournal

**Format:** Weekly publication in print, supported by weekly newsletters and the hugely popular website [newlawjournal.co.uk](http://newlawjournal.co.uk) (100,000+ page views per month)

New Law Journal (NLJ) is one of the longest running sources of information for legal professionals.

## Experts on tap

NLJ's updates and comments are written by senior litigation and dispute resolution specialists, suppliers, and commentators and is indispensable for lawyers, clients and customers who want up-to-date news and analysis on the future of civil litigation.

Every week, NLJ delivers analysis from respected contributors in an easy to digest format helping solicitors, practitioners, paralegals, judges, barristers, clients, consumers and suppliers and academics navigate and understand an ever changing and challenging civil justice and post Brexit legal landscape.

[www.newlawjournal.co.uk](http://www.newlawjournal.co.uk)

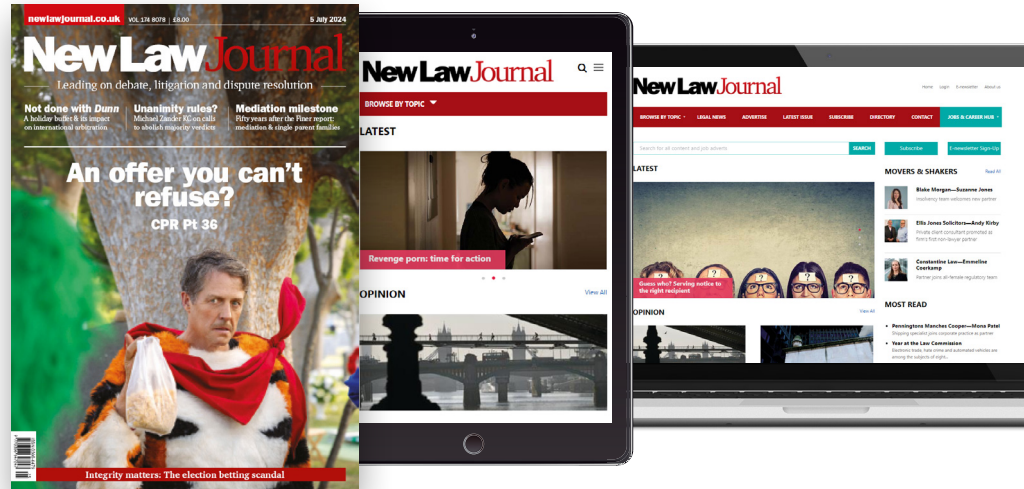

# NewLawJournal

Armed with expert opinion, legal professionals are able to advise clients more accurately and better prepare their cases, staying ahead of the competition.

As a marketing tool, advertisers can be confident that NLJ's well known position in the legal market brings with it a dedicated and engaged audience who consume its content via print, newsletters and online marketing solutions.

## Bespoke marketing solutions

We now offer clients direct access to our readership via our popular bespoke email campaigns – as well as other tailored solutions including advertorials.

- Premier source for legal information
- Wide range of legal disciplines
- Highly regarded editorial content
- Independent analysis and insight

[www.newlawjournal.co.uk](http://www.newlawjournal.co.uk)

# COUNSEL magazine

**Format:** Monthly print and virtual issue, supported by e-newsletters, social media and our website: [www.counselmagazine.co.uk](http://www.counselmagazine.co.uk) (25,000+ page views per month).

COUNSEL is the official magazine of the Bar of England and Wales – reaching an audience of nearly 18,000 barristers, plus judges, other legal professionals and law students – the largest market reach in the world of the Bar and Bench.

Written by barristers and market experts who work closely with the editorial team, it is an essential monthly read. Editorial coverage ranges from high-profile interviews to the vital Practice Toolset section, helping barristers achieve their ambitions and work smarter using the latest techniques and market innovations.

It is *the* platform for opinion on key issues affecting the Bar and justice, as well as covering wellbeing and lifestyle matters, giving it a broad crossover appeal for anyone associated with the legal industry and interested in the law.

A recent innovation, the COUNSEL Bar Student Guides have received over 40,500 views which evidences the continued high level of interest in joining this unique profession.

With its established online presence, authority and gravitas, COUNSEL is also an effective campaigning magazine which can assist you with recruitment, announcements and advertising using targeted solutions, newsletters and bespoke executions. Contact us to find out more.

# Family Law

LexisNexis®

**Format:** Journal published in print (1,400 qualified print subscriber), supported by weekly e-newsletters (4,000+ recipients) and the magazine website – [familylaw.co.uk](http://familylaw.co.uk) (57,000+ page views per month). Family Law also has a large and growing LinkedIn Group community.

The journal features the latest official guidance, in-depth case analysis and topical articles. Contents also include regular columns from the Family Law Bar Association, Resolution, The Law Society and the Association of Her Majesty's District Judges as well as news and research updates, letters and book reviews.

Family Law journal also runs the annual Family Law Awards in November. The awards ceremony, a key date in the Family Law calendar, recognises the important work of family lawyers and celebrates their many successes and outstanding achievements.

Other titles in the Family Law range include:

## International Family Law

The only English language practitioner journal dealing with the rationale and jurisprudence of family law as it affects families and individuals across Europe and the rest of the world.

## Child and Family Law Quarterly

Essential articles and comment in all aspects of family and child law. Edited by leading family law academics, supported by a distinguished editorial board and peer reviewed for excellence.

Probate solicitors, make deceased estate notice placement part of your trusted service.

**Legal news**

- **Has SUPPs, practice unit**  
Law firms have been warned again not to use litigation aimed at obtaining out-of-court settlements as a strategy to settle disputes against public participation (SUPPs).
- **Isolating employees, disseminating & hidden cameras**  
A criminal offence of sharing 'intimate' – explicit images or videos which have been manipulated to look like someone without their consent has been added to the Online Safety Bill, in a Ministry of Justice amendment.
- **GDPR compliance: legalise law abiding**  
Ten firms out of 40 failing part in a Solicitors Regulation Authority (SRA) thematic review of information services providers have been referred to disciplinary processes after 'significant shortcomings' were found.
- **Has this week: The practice?**  
Covid-19 prevention and social modification in the Court of Protection has continued, and are sufficient safeguards in place? In the first of a four-part series in RFL, Dr Laura Davidson of Reed Chambers looks into a recent case concerning a vulnerable 20-year-old.
- **Has this week: From respect to regret and back**  
Killing your old and making a regretful mistake happens when a couple get divorced their relationship ending in three weeks. A family law solicitor's advice and a court judgment David Burton looks at the legal implications of the new court approach.

**MOXO & SHARED**

## FAMILY LAW AWARDS 2025

From  LexisNexis®

The Family Law Awards has firmly established itself as a highly prestigious event, celebrating the success and achievements of family lawyers and the vital contribution that they make to society.

Hosted in exclusive event venues in London, the night brings a unique and memorable night for attendees and event partners.

Attended by over 850 guests drawn from across the Family Law community, including senior managers of law firms, barristers' chambers, local authorities and members of professional organisations, solicitors practices, the bar and the public sector.

The shortlist and winners are chosen by a credible judging panel with categories including

Family Law Firm of the Year, Family Law Junior Barrister of the Year, Family Law Chambers of the Year, Family Law Associate Solicitor of the Year and more.

Partnering with the Family Law Awards will allow you to position your organisation at the forefront of the legal market and will provide an excellent platform for you to raise your company's profile. (Please get in touch for more details)

- Network with the best in the Family Law industry
- Bring awareness to your work services
- Celebrate and show support to the sector
- Support your marketing plan cost effectively
- Position your company as an expert in a chosen area

*"We are proud to sponsor an awards ceremony that is judged by such a varied panel of well-respected individuals. It's a fantastic evening and we are delighted to support it."*

# Belly bands

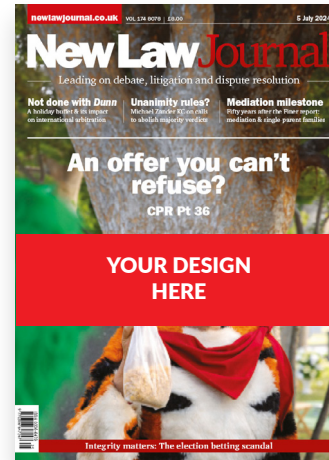

The 'belly band' ad format is hard to ignore. The paper ad is wrapped around a magazine and has to be removed, by tearing or sliding off, before the publication can be opened.

A message can be found on both sides of the band usually with a call to action on the back.

Our recent introduction of belly bands has garnered much attention from our audience.

- Draw attention and encourage reader interaction
- Extend usable space in premium location
- Build anticipation
- Convey prestige as a high profile ad placement

Inserts and further bespoke solutions available.

## Print cover belly band guidelines

Please enquire for specific costs to meet your requirements

## Webinar and Video Production

Our studio facility enables you to create your own professional video presentations for delivery over the internet. Whether you need to engage with your clients to build and strengthen relationships or grow new business, communicate your brand values or run training sessions for your staff, we can provide a customised and cost-effective solution. Our experienced studio team, with a proven track record in the production and delivery of webinars for law and tax professionals, will be on hand to guide you through every step of the process.

### Services we can provide:

From our fully equipped studio, based in central London, we can offer the following services:

- **Production and streaming of live or recorded webinars**  
Shot in our multimedia studio, with the latest sound, video and lighting equipment, we can combine video with synchronized slide presentations and the ability to submit live "on air" questions.

- **Video recording**  
Filmed in 4K ultra high-definition format using a range of camera shots, the video can be encoded to your preferred format for efficient streaming over the internet.
- **Video editing and post production**  
Including the addition of title sequences, seamless video splicing, chaptering, subtitling, the inclusion of music and special effects.
- **Full support**  
Our highly experienced and dedicated studio team can offer you full technical support and will be on hand to guide you through the process from inception through to delivery.

We have worked with a wide range of clients including leading law and accountancy practices, professional bodies, listed companies and charities.

Please enquire to find out how we can assist you.

*"It is fair to say that the webinars that LexisNexis has hosted have transformed the way that LawWorks communicates with its members. As a result of LexisNexis' webinars LawWorks has been able to engage more effectively with a whole range of stakeholders, raising the organisation's profile and benefitting the organisation in other ways."*

*"The production values of LexisNexis' webinars are very high and the end-product is fantastic! LexisNexis Staff seem to know everything and put you at your ease straight away."*
